A big welcome back to term 2, we hope you all enjoyed your break. This term we have a number of events planned to support our wonderful school.

Our next P and F meeting is Tuesday 19th May at 8.45am in the school staff room. Come along and join the P&F or just sit in on one of our meetings, have a cuppa and find out what we are all about. You are always welcome.

Meet the Committee

Hello. My name is Kerina Edwards. I’m the Vice-President of this year’s P&F. I am currently a stay at home mum with three children: Molly in Pre-primary, Jasmin in Kindy and baby Brady who is nearly a year old. I started out on the P&F last year by attending a few meetings and volunteering at a few events. I am a teacher who has been lucky enough to work in several schools where I have seen and experienced the great things that a P&F committee can bring to a school and it’s community. I was very keen to get involved as soon as my children started school. I feel very lucky to have my children attending a fabulous school with a such a great community feel.

Fish & Chip Lunch

We had an amazing response to the end of term shared lunch in the way of orders and helpers. There was a large amount of orders for the day. With this amount of orders it was not an easy task but we thank you all for you understanding and support in the pickup and delivery of the lunches. Everyone was very patient and we are extremely grateful for everyone’s help and kind words throughout the distribution of the fish and chips. We managed to raise a total $440. $220 of this money was donated to Project Compassion. Thank you to everyone again for making that possible.

Entertainment Books

The 2015/2016 Entertainment books and apps are now available to order online. This is a great fundraising initiative that helps you save money and also raises money for our school. The books cost $65 each with $13 from each book sale going directly to our school. You can order here https://www.entertainmentbook.com.au/orderbooks/8511t0 So jump online, check it out and spread the word.

Scholastic Books

Scholastic books have been bought back as a trial this term. This is being coordinated by the P&F. Scholastic Book club is great way to buy books for your children at a great low price while earning rewards for our school. This will allow our school to purchase more fabulous books for our classrooms and library. Remember orders are due in this Monday 4th May. What a fabulous way to promote reading in our homes and at school.
Mothers’ Day Stall

Our Mothers’ Day Stall is being held on Friday 8 May. All children have the opportunity to purchase a gift for their mother/stepmother or grandmother at a cost of $5.00 each. Keep those notes and money coming in for the stall and remember they all need to be in the P&F box located in the office by Wednesday 6th May.

Masters and Bunnings Sausage Sizzles

We have been approached by a number of people in the school community wanting to help out with the fundraising for our school who unfortunately have found it difficult as they work during the week. As a result we have listened and made the decision to run a couple of sausage sizzle fundraisers at Masters and Bunnings this term. The first sausage sizzle is being held at Masters in Butler on Saturday 9th May from 8am to 3pm and the second will be at Bunnings Mindarie on Sunday 19th July from 7am to 4pm. So all you barbeque kings please consider helping out at one these events this term. A note has already gone home about the Master’s event. Thank you to this who have already sent the notes back volunteering their time.

Tea & Coffee at Assemblies

There will be tea, coffee, juice and biscuits or cake offered every assembly morning from 820am-840am. The cost is simply a gold coin donation. So please pop past the canteen area and stop for a coffee and a friendly chat.

The next assembly is on Friday 15th May. We hope to see you there.

Keeping Safe - Child Protection Workshops

Two family workshops will be held early in term two, Tuesday 12 May .30pm-7.30pm and Friday 15 May 9.30am-10.30am. The P&F would like to encourage all families to attend one of the sessions. The school will be sending out more information next week. Please support this very important initiative.

Feedback & Suggestions

As you may have noticed, the P&F have a box located in the office. We encourage anyone who may have any feedback from events or fundraising activities that they have attended, or volunteered at, to drop us a note in the P&F box; we would be happy to include some of them in our newsletter. Please feel free to let us know of any suggestions you may have and we will raise them at our next meeting.

IN THE BOX …

The weather will be starting to get a little cooler so yay for sending leftovers for lunch. Roast chicken, chicken schnitzel, tasty meatballs, pasta salad, quiche, zucchini slice, homemade pizza slices and sausages are just a few examples that are delicious cold for lunch. You could always pop them in a kid’s thermos to keep them warm.
