P&F Meeting

Welcome to Term 2's newsletter and we are almost halfway through the year can you believe it. Christmas will be here before we know it.

This is our first Newsletter for the year so it will be full of info, wrap ups and tips.

We would like to officially thank our amazing committee from last year, they achieved so much they have brought a lot of joy and happiness through the amazing events organized. Through fundraising they were able to help a lot of the year groups with items. We finished the year with a whopping \$10,632.72 in the Bank. This has been a great starter for our new committee and a hard act to follow but rest assured we will be trying, so stay tuned to see what our new committee can do.

We have already had a great start to the year with our Annual Meet and Greet being a major success and encourage our school community to socialize and get to know each other a bit more than just drop off and pick up buddies. We had many different activities for the children to get involved in and it gave our families time to have a grown-up conversation. We had great feedback and can't wait to start planning next years.

The Easter Raffle and Fish & Chip lunch are always a considerable success and the kids really loved having their families with them to celebrate Easter with Fish and Chips. Also, who can forget the Easter Raffle, THANKYOU for all the generous donations, we were able to make up plenty of prizes for the raffle and everyone loves to win some chocolate. We made a profit of \$1,822.25.

Our last P & F meeting was on Tuesday 30th May. Our next meeting will be held on Tuesday 27th June at 8.45am after morning drop off, in the Staff Room in the Administration Office. Come along and join us for a cuppa and a chat everyone is always welcome and there is always room for kids.

Mother's Day Stall

The Mother's Day Stall is always great with lots of kids choosing a special gift for their very special Ladies in their lives. Thank you to all the helpers, we couldn't run these events without the amazing support from all the parents and especially the helpers. We made a profit of \$931.90

Scholastics Book Orders

We had a small hiccup in Term 1 with Sscholastics but we have come back strong in Term 2 with it being a remarkable success. We can't wait for Term 3's catalogue, I'm sure you're all excited too.

Entertainment Books

Entertainment Books have started and are already off to a great start. Who doesn't want to save money and treat yourself, partner or even your kids. We would love it if you can help support our school and grab a book. They are an amazing investment and always giving back. Don't Forget SCHOOL HOLIDAYS are just AROUND the CORNER.

Cake Stall

This is always a magnificent event and the kids love to choose a sweet treat or 2. We had a great response from the Cake Stall. Thank you to all the parent volunteers and siblings, we even had a dad give us a hand. We know your time is valuable and we do appreciate you sparing some time for the students to enjoy some special treats and fundraise for our school. We made a profit of \$435.10

"Thank you to everyone who helped out with the cake stall - it was a lot of fun and a great fundraiser. Once again jelly cups were very popular and the older years liked popcorn. Some bakers are really talented - who ever made the "under the sea" cupcakes with sand, shells and star fish needs to do this professionally!"

Lapathon & Subway Lunch

Lapathon is here again and the students (PP-Yr6) will be running, walking, skipping their laps around the oval on Friday 30th June. We hope to see as many parents down there cheering, supporting or doing laps with the students. It's a great, fun event that gives everyone the chance to be involved and have some fun. Don't forget Subway Lunch so it's your day off from lunches. **'All lapathon money is due back 21st July'**

Recipe Ideas: KID FRIENDLY Quick Easy Cheap Slow Cooker Meals for \$10

I know we all struggle with time and getting our kids to eat their dinner. Food shopping is getting harder with all the guidelines, fussy kids and lack of time, oh and don't forget the constant rising of prices. But in the link below there are some great Slow Cooker meals that cost only \$10 to make, you can put them on before you leave for your busy day and when you get home the house will smell wonderful and a healthy dinner (**that the kids will eat**) is ready for you all to enjoy.
