Another term has flown by! This term we have had a number of successful events including the Sports Carnival Subway lunch and coffee van which raised $420. The Father's Day Stall was again a great success raising $1240, whilst the last cake stall bought in $512. Thank you everyone for your amazing support.

This term we have purchased a deluxe gazebo with walls, new trestle tables and 40 new sports balls for the children to use at recess and lunchtimes. We have lots more ideas and plans in the pipeline that we are excited to share with you soon.

Our next P and F meeting is Tuesday 27th October at 8.45am in the school staff room. Come along and join the P&F or just sit in on one of our meetings. You are always welcome.

Year Six Graduation Cake

The P&F are proud to donate a cake to the year 6 graduating classes of 2015 at their graduation mass. If there are any talented cake makers in our beautiful school please contact Lauren on 0478217257 with your quotes.

Masters Sausage Sizzle

Our next sausage sizzle is at Masters on Saturday 7th November. A note will go home asking for you to share your superb grilling skills with us next term. We hope lots of you can volunteer your services again. It would be lovely to see some new faces too.

Woolworths Earn and Learn

Thank you to all families that supported the school by bringing in their WOOLWORTHS EARN AND LEARN STICKERS. We had a great response receiving 18,540 stickers in total! The sticker sheets are on their way back to Woolworths for validating! We will keep you updated as to what we were able to purchase for the school, with the points we received. Thank you again for your support.

Scholastic Books

The last Scholastic catalogue for BCPS this year will go out in the first week of term 4. A letter will be attached as a reminder of how to use the LOOP ordering system, we will also explain how we can hold your order for the parent to collect instead of sending it home with your child/children as we know many of you may order some Christmas presents. If you have any queries please contact Megan 0401150876
